The Brierley Hill Health & Social Care Centre Project team on behalf of Carillion Building Midlands were presented with an “Employer of the Year 2008” award from Future Skills Dudley. The award collected at the Future Skills Dudley (FSD) ceremony was for the projects continued commitment to provide FSD Local Labour Initiative with work placements / job opportunities for local people who have been unemployed for greater than 18 months. To date the BHHSCC team have, in partnership with supply chain members, provided 6 placements with 10% of the current project workforce being employed through the scheme.
